SARIX® MODULAR CAMERA

`3 MP` `5 MP`

ANALYTICS-ENABLED, DISCREET SECURITY CAMERA FOR FLEXIBLE DEPLOYMENT

The Sarix® Modular camera is Pelco's smallest and most discreet video security solution with built-in analytic capabilities. Specifically designed for areas with limited space or that require an unobtrusive monitoring solution, such as ATMs, police interview rooms, retail checkout counters, building entrances or casino gaming tables. The camera's adjustable imager modules can be used together or separately and can be flexibly positioned in different locations and orientations to help capture the most optimal view of people or scenes of interest. Equipped with Pelco Smart Analytics, powered by Motorola Solutions, this camera helps to detect critical events and increase your security teams' productivity by expediting real-time responses and forensic investigations.

CUSTOMIZABLE DESIGN
One or two imager modules can be connected to the main unit. Imager module options provide for flexibility to meet custom use case requirements. Imager modules connect to the main processor unit by detachable cables and establish an encrypted high-speed connection. Imager modules can be mounted in a variety of orientations and discreet locations to help capture the most optimal coverage of people or scenes of interest.

SMART ANALYTICS, POWERED BY MOTOROLA SOLUTIONS
Detects and classifies more objects for greater accuracy and faster responses, even in crowded scenes.

LOW-PROFILE & EASY-TO-INSTALL
Reduce installation times with lightweight, interchangeable form factors that can be mounted in practically any setting including tight spaces and discreet applications such as behind false walls or ceilings.

WIDE DYNAMIC RANGE
Captures high-quality image details in scenes with dark and light backgrounds.

DUST & WATER RESISTANCE[1]
IP66 rating for resistance from dust and water.[1]

H.264 AND H.265 WITH SMART COMPRESSION TECHNOLOGY
Optimizes compression levels for regions in a scene to help maximize bandwidth savings and keep storage costs down.

ONVIF® COMPLIANT
ONVIF Profile S, G and T compliance allows for easy integration with existing ONVIF infrastructures. Integrated with Pelco VideoXpert and other leading video management systems.

PEACE OF MIND
We back our Sarix Modular camera with a 5-year, industry-leading warranty, with onsite support and 24/7 phone support.
